Robinson's Ramblin's

Well, our car show on May 13 was a bit of a bust due to the weather, but we still had some fun and may have picked up a couple of new members. We had about 20 cars plus the club cars so it didn't look too bad. The young man with the rat rod joined us for the Sumter show.

We took 8 vehicles and folks to the Sumter Iris festival show on May 27. Dave and Linda Allen got best of show with their Tiffany and they also won the 50/50 raffle. You know they went home happy!!!

Sammy Lee spent about a week in the hospital but is out and home as of May 29. Keep Sammy in your prayers as his health continues to give him periodic problems. I did stop to see Jessie on the way home from Sumter as did Dan Dembowski. Jesse is still not feeling good, but is doing a new treatment regimen, so keep him in your prayers as well.

The Club is off to a good start THIS YEAR AND IT IS ALL DUE TO THE enthusiasm of our new members and the rest of the club. Remember that our 1st priority is to Socialize and have fun, Our 2nd priority is to Grow the club, so talk to anyone you meet about joining our Great Club. We Will do a club picnic probably in July so start thinking about this!!!

Curt Smith and I will be heading out to the AACA Grand National show in Independence, Missouri this coming week so we will miss the next club meeting. Curt will be competing in the race car class with his Corvette Race Car. I will be competing with my 55 Chevy hardtop as well as competing in the Whizzer class with 2 of my restored Motor bikes. We will do our best to represent the Swamp Fox Club well

I want to thank Tom Wolpak for his door prize donation at the Flea Market show. Tom is a former member of our club and is going to rejoin. Welcome him at the upcoming meeting.
