SAMMY SPEAKS:

I bet you all are excited about the better weather and the chance to get that favorite old car out and get it ready for a car show or just the opportunity to show it off riding around town. Let's enjoy the cars and the fellowship it brings!

On a more serious note we need to offer our condolences to Tom and Tim Spence on the recent loss of their mother, and to Celese Spence on the loss of her mother soon after. Also we send our condolences to the Cruickshank family on the loss last week of Mrs. Shirley (George) Cruickshank. Keep all of these in your prayers as they recover from their loss.

Special thanks to Curt Smith who shared at our last meeting some valuable information about the AACA and it's judging at national meets. He has some excellent personal experience, along with Al Robinson, while showing his Corvette race ar and bringing home some awards. He gave out copies of in info giving the classes, judging info and awards available. Copies should still be available if you missed this.

Check out the information on page 2 about the CARavan that is planned for May 27. We want to show our suport for the Sumter Cruisers who support our show so well. We need to domore events like this.

RUN TO THE SUN, our areas largest car show is coming up this weekend in Myrtle Beach. I plan to attend and pass out some flyers for our shows. Maybe I will see you there!

Last month had a great turnout for the monthly meeting! Lets do that again Mar. 13 for our next meeting. See you at Taki's!
