Robinson's Ramblings'

The month of April is upon us and it is Car Show time 2018. We are only 3 weeks away from the greatest show our club has ever put together!! My very special thanks to all the club members who have been working so hard to make this show the EVENT I know it is going to be. All the members who got out and beat the bushes for sponsors, everyone who has been working behind the scenes to get all the details right and our energetic club board can take pride in what our great club has been able to do.

My special thanks again to Nick and Abby Osorio for the countless hours they have put in to get the trophies so perfect and the dash plaques just the way they needed to be. When I see the dedication club members like Nick and Abby are giving to our club, I know we are heading the right way with the Swamp Fox. We need a whole bunch of Nick and Abby's as we go into the future, to grow our club and have it make a difference in the Pee-Dee.

Very special thanks to Curt for the many, many hours he has put in as show chairman and for keeping us on track with all the details it has taken to pull this together. Our car show subcommittee with Cheryl Floyd, Susan Pace, Curt and your president has been

Robinson's Ramblings' con't

meeting weekly to make sure nothing gets dropped between the chairs. My hat is off to each of you!!!

We need every club member to be at the April 9th regular club meeting. We will make assignments for the various tasks on SHOW DAY. It is super important that we have every member there on the 21st as it truly will be a very special day for the old car hobby here in Florence.

I am proud of this club and each and every one of you. You ALL are the reason we will be successful not just with the car show, but as the best car club in Florence.

NEVER FORGET, WE ARE FIRST AND FOREMOST A PEOPLE ORGANIZATION AND THE OLD CARS ARE THE "GLUE" THAT BRINGS US TOGETHER!!!!!!

Happy Old "Car-ing" Al Robinson

The Editors Turn

April 21st is indeed just around the corner, and so too, is our Antique Classic Car Show. With your help, we will soon be able to realize the fruits of our labor. Thanks to everyone who has attended the judging schools and helped with show preparation.

I want to give a special thanks to Nick and Abby Osorio for their outstanding effort to design and create these beautiful trophies and the dash plaque. Anyone would be proud to win one of these special awards.

I would also like to give a very special thanks to Rex and Jane Huggins and Susan Pace for providing the venue for the show and for all of their continued support. They are very special people.

As you know, the proceeds from the show will be donated to the Cystic Fibrosis Foundation to further their work to find a cure for the disease. Please take a moment and click on the link below to learn more about Cystic Fibrosis. <https://www.cff.org/What-is-CF/About-Cystic-Fibrosis/>

It has been my privilege to work on this show with all of you for the benefit of this worthy cause.

See you at the show!

Curt Smith
