## Tom Talks

Greetings everyone and happy November! We had a very successful show at Five Star Chevy on October 9 and everyone went home with a trophy! Our final show is the Florence Pecan Festival on Saturday November 6. We need all club members to help as this is our biggest event with lots of judging and parking issues. If you all could be there by 8:15 ish we can quickly set up and deal with any last minute problems.

Registration is 9am till noon and a few people will need to class all vehicles. Tight parking will be needed to maximize space and folks will need to be in the trailer to register participants. Our club will buy lunch, awards presented at 3pm and monetary prizes also to be given away. This year we will park our cars behind a law firm building to allow more space for entrants.

Our Christmas party is scheduled for Monday November 29 at LilJazZi's on Dargan street. 6:30pm for visiting and Buffet meal at 7pm. Installation of officers for next year and Gift exchange will certainly take place!

Weather permitting try to drive your favorite ride and park on the street for an excellent photo opportunity. Finally, drive your old vehicles as much as possible, (we all need exercise!)

Tom

## **COB Comments**

After a great week at the campground in North Myrtle Beach, it's time to get back to work (I guess)!!

With the Pecan Festival coming up let me second President Tom and plead for all of our members to be at the car club "show field" in sunny downtown Florence Saturday, November 6. We need every one there as this show looks like it will be the biggest one ever!! Because of the limited space for all the show cars, we are asking club members not to drive our vintage cars to free up spaces.

We would like to have everyone drive a vintage car to the club Christmas Party so we can park them on the street outside the restaurant. It Should be a nice touch as we are celebrating our 40th anniversary as a car club that night as well.

Let's all support President Tom and all our Board members who have worked hard this year to make 2021 the very successful Club year it has been!!

Al Robinson,  
Chairman of the Board

**Happy Thanksgiving!**
