Tom Talks

September is here and the activities for old car and truck nuts seem to multiply for the remainder of the year.

Good news everyone, we now meet on the second Tuesday of the month at the Western Sizzlin again and they are happy to have us in the big room! You can select from the menu or eat the Buffet, recently updated and very clean and quiet (some of you can attest to that quality!)

Please plan on attending all of our meetings because we have events to finalize, officers to select and perhaps a guest speaker.

Charlotte Auto Fair is around the corner, our cruise in to The Manor happens this month as well. As always bring a friend who shares this "disease" and drive something fun whenever possible.

Tom

COB Comments

Summer is almost gone and it has been a hot one! Hope everyone has enjoyed the "Cars and Coffee's" and shows we have been able to attend as a club. Seems like the time has flown by this year.

It's time for Fall Charlotte Auto Fair again. I will be at my usual swap meet spaces SO and TO 28 in the Orange field. Stop by, leave parts and "stuff" you are buying with me while you shop for more "stuff" and enjoy a cold drink!!

The big AACA Swap Meet and National AACA Show at Hershey, Pa. will follow 3 weeks after Charlotte. I will be set up at my spots in the Chocolate Field under lite pole 27, so if any one does make it to Hershey, be sure to come by. If you have never been to Hershey, it is one event you should try to get to. It's not just an "Old car swap meet" it is a "Happening"!!

As we move into the fall, we have several events coming up. Please get to the "Manor Cruise In" the club is doing Sept 24 and then on to the Golden Leaf Festival in Mullins that club member Luther Johnson heads up and don't forget "LIFE IS BORING WITHOUT OLD CARS"!!

Fort Dodge Iowa Rides (As seen by Al and Gail)

Gail and I attended a Cruise In in Fort Dodge on our recent trip to Iowa. Some really nice rides were seen as the pictures show (and some unusual ones)! How about a 1960 Cad-i-mino created by restorer Ken Walsh of Fort Dodge. This creation is a real piece of work; it started out as a 4dr sedan!!

As a result of meeting Ken Walsh at the Cruise In, I got a chance to visit his shop and hook up with a couple of guys I had not seen since High School. The pictures at Ken's shop are amazing. How many times have you seen "34" and "40" Ford coupes, trucks and bodies "on the shelf"!!! Al
