Tom Talks

Merry Christmas everyone! I sincerely hope your holiday season is full of joy and wonder.

The club enjoyed a great Christmas party at my house this past Monday. Thanks to all who were able to attend. The food was great, officers were sworn in and a rousing game of gift opening /stealing/and more stealing was had. I'm sure our resident photographer got great shots of it all.

Enjoy December off as we have no monthly meeting or board meeting. Our next club meeting is January 2023 on the second Monday (the 9th) and this will be our new schedule for this year.

Don't forget about Cars and Coffee on December 10th. Bring an unwrapped toy for the Toys for Tots drive (and probably dress warmly!).

We have a few new shows / events to pursue as a club and new members are always welcome. Thanks for a wonderful year and all your help!

Tom

COB Comments

As usual, the club Christmas party was a huge success! Thanks to President Tom and his lovely wife Celeste, who were the perfect host and hostess! It was really special that they opened their home for the club, a very special treat.

This party brought back some special memories for me as our 1st Club Christmas party was held in early December 1981 at David and Marie Lesesne's home. It does not seem possible that 41 years have gone by this fast!!

We have a great leadership team in place for 2023. With Pres. Tom's leadership and a very supportive Board of Directors, I think our club can have a really great year. We need to work on two main things with our membership: 1) Getting more of our current members well communicated with and active and: 2) Actively recruiting new members. The table of young members all together at the Christmas party was really encouraging to me (being the Old Buzzard that I am)!!!

Merry Christmas to all and to all a super 2023!!! AL ROBINSON
