Tom Talks

Happy New Year! Welcome 2023! I sincerely hope this year is full of fun, fellowship and all good things related to old car/truck ownership.

Our club made a nice monetary donation to Lighthouse ministries thanks to the efforts at our shows and a good turnout for our last event.

The Christmas party was wonderful, and a great time was had by all who attended.

Once again Cars and Coffee will happen on the second Saturday of each month and our club meeting is now on the second Monday of each month at Western Sizzlin.

We have some new events and shows to discuss and will plan for fun club driving events when the weather warms up. Guests are always welcome and encouraged at meetings and events. Drive your classic ride often as they always spark conversation and rekindle good memories! See you at the meeting! Tom

## **COB Comments**

Happy New Year to each and every club member from Al and Gail! Hope all your Christmas activities went well, and you are all ready for another year of great car activities and driving "Non boring cars"!!

The Board will be looking at several new projects and potential shows for the club in 2023, so get ready for what I think will be a fun and exciting 2023. The Swamp Fox club at 42 years of age is active and always encourages me with the vitality of each of you!!

We need to continue to keep our current membership well informed and make a commitment to recruiting more new members in 2023. With the shows we potentially have in mind along with the 5 Star and Pecan Festival shows, we need more "people power" to help out. Let's not fall victim to the 80/20 rule where 20% of the people do 80% of the work!!!

And as always, remember the great slogan President Tom came up with a couple of years ago. "LIFE IS TOO SHORT TO DRIVE BORING CARS"
