Happy February / Valentine's Day to everyone!
Winter is hopefully close to being over and some good weather driving days have already arrived.

Whenever you can open the garage door and motor around in whatever vintage wheels you have to stimulate the senses and enjoy the hobby! Nobody frowns at an old vehicle!

Be sure to attend the next club meeting as we have new members to meet and new shows to discuss. The 2023 year is full of activities for antique vehicle owners to enjoy and participate in. Our goal is to be active and engaged in local and regional shows and have fun as a club.

Please bring any ideas/events to our attention as we look for new ways to spread the joy of this hobby to others. As I've said before, " life's too short to drive boring cars!" Tom

COB Comments

Here we are, it is February already and we are getting ready for a great year for the Swamp Fox car club. As I commented earlier, we have a great leadership team with Tom as President again this year. We need to see every one of you at the meetings and all the car "stuff" that is going on in the area. Lots of things happening!!

We have a new car show in the works for the 25th of March. We will be doing a Top 30 afternoon show at Local-Motive Brewing. This is right behind the Bean Barn and next to Buddy's restaurant sort of behind Phil's Bike Shop and Naturally Outdoors off of Palmetto Street. Please get this on your calendar as it will be a great time!!

DO NOT forget the AACA National Meet in conjunction with Spring Auto Fair at Charlotte on April 15th. We will have some club vehicles participating!! Auto Fair starts on Thursday, and it is always well worth the trip!!

Again, remember, Life is too short to drive BORING CARS!!!!
