#### Tom Talks

Hello again and happy Spring! While we still have to deal with pollen the temperature is rising, and the flowers are blooming!

We had a great turnout of club members for our last show and got plenty of excellent photos for newsletters and our website. The rain put a damper on turnout, but the venue seems like an excellent place to grow a car show. More on that at our next club meeting.

Please attend as we have to finalize details for our next show on April 22 at Five Star Nissan from 10 am to 3 pm. Thank you all for your continued support and participation! Tom

Curt Smith, Editor

We just finished our 1st car show for 2023, which was a reasonable success despite the weather. I think everyone who came to Local Motive for the show was fine with the venue. It is an interesting place to host a show.

We had a couple of special visitors, who you will see in a couple of pictures at the show. Sammy and Janie Campbell from Hartsville made it. They are 2 of the original Swamp Fox club members who helped charter our car club in 1981. I have known those two for many years and they are super people and good "Old School" car folks. Thanks Sammy and Janie for joining us!!!

We have another car show coming up on April 22 that we need all the help we can get. This will be at 5 Star Nissan, and thanks to Tom Smith for setting this up. Mark your calendars!!

Don't forget the AACA show at Charlotte on April 15. I will be going up on the 12th to take in Auto Fair and show a 50 Olds coupe and 2 Whizzer motorbikes in the AACA National meet on the 15th. The Swamp Fox Car Guy RV will be available as always for hospitality over in the show parking area.

As always "Don't Drive Boring Cars", exercise that special collector car of yours and show folks what Swamp Fox is all about!!!
