SAMMY SPEAKS:

Attendance at our monthly meetings have been good . I appreciate your support. keep up the good work!

The board of directors hope to keep having short presentations or special events at the meetings. At the April 6 meeting they plan to have a class on judging to help keep us all on the same page before the first show. Let someone on the board know what you think would be a good topic to cover at one of our meetings.

Other preparations for the Spring Fling Show are under way and we will be able to make final plans at our May 8 meeting. We will need lots of help for that show.

It has been expressed that we need to make a special effort to enlist some younger members or Junior members. When you find someone younger with an interest in the cars, make a special effort to enlist them in the club.

We are getting together a list of collector cars the club members own. At the last meeting a sheet was passed around and the list was started. please be prepared at the next meeting you attend to add your cars to the list. Should be interesting. Include cars in the process of restoration or finished.

CARAVAN TO SUMTER CAR SHOW

All club members, wives and any guests. we are planning a club CARavan to the Sumter Iris Festival this year. Saturday May 27th we will meet in the Belk parking lot with as many vehicles as we can muster and drive to Sumter together. Wear your club shirts/hats and plan on a good time. We can finalize our start time at our next meeting. Talk this event up as we need to support our Sumter friends. Tom Spence is our contact person (843-665-0564).
