SAMMY SPEAKS:

Hope everyone had a great Fourth and a safe one! Some of our folks were planning to go to the Car Show and Gala at the Darlington Raceway. I am sure it was hot enough. I will be looking for some reports on the celebration.

Most of the summer will be fairly quiet, but we still need to be making plans for the Lake City Tobacco Festival Show to be held Sept. 24. That will not seem like a long time. It is going to be important to have adequate help for that one.

In the meantime, members might want to take a car to one of the other shows scheduled in our area. Check out the schedule on another page.

At our recent board meeting the priority was on recruiting new members. We need to stay on the alert for prospects.

Also concern for George Cruickshank was noted. He has been in the hospital and is dealing with several health issues. Please keep both he and his wife in your prayers.

Sammy
