Robinson's Ramblin's

I will be assuming the leadership role as Sammy Lee has resigned as president. We all need to thank Sammy for all the hard work he has done for the club. He will continue to be an active member of the club, for which I am very thankful.

I want to thank Curt Smith for the great job he did in setting up and leading the judging seminar we did 2 weeks ago at Bill Edwards shop. Thanks also to Bill for letting us use his place to do the seminar. He has a super facility. We accomplished a lot at the seminar and Curt will be going over the results in chart form at our club meeting May 8.

WELCOME NEW MEMBERS

Phil and Diane Murphy
Nick and Abby Osorio

I was happy to see the good turnout for the seminar. We had a lot of our new members participate and I think we all learned a good bit about judging. We will do a short practice judging session at the club meeting so I encourage all members to be there. This will be a good lead-in for the car show on Sat. May 13 at the Florence Flea Market.

There will be lots of activities as we go thru the summer months with car shows. We will try and travel to many as a group, have get togethers and mabe a couple of picnics thrown in.

We have a great car club, some super new members and a good place to meet. I encourage each of you to get a new member this year. As we go forward, new members bring new ideas and enthusiasm to our club.

See you at the May 8 meeting!

CAR STORIES

We would like to have every club member put together a little write-up on their car and a little about themselves for the club newsletter. This can be emailed to Jesse Hill at jhill937@aol.com. Every one has a funny or interesting story related to a car they have or did have at some point. Not good at writing? Call 843-346-9892 and share it with Jesse and he can put it in writing..
