

**Antique Classic Car Show
April 17, 2021
2441 Hoffmeyer Road
Florence, SC**

Welcome to the 2021 Antique Classic Car Show presented by the Swamp Fox Old Car Club. Thank you for bringing your vehicle and participating in our show.

The purpose of the event is to have fun and raise money for the Cystic Fibrosis Foundation.

We hope that everyone will enjoy the fellowship of the other participants, visit the sponsor and club displays, and eat the good food from our vendors. Below is the procedure we will be using for the show.

The “Celebrity Judging” procedure for the 2021 Swamp Fox Old Car Club Antique Classic Car Show.

This Show is open to production based vehicles which were originally designed and manufactured for transportation use on public roads.

There will be one large “class” for all entries.

Judging will be done by approximately (40) individual “Celebrity Judges”, each of whom will select the vehicle that they like best. The judging team includes community and sponsor representatives, as well as Swamp Fox Old Car Club members.

The Swamp Fox Old Car Club member’s vehicles will NOT be judged.

Each vehicle can only be selected by ONE of the judges.

Each judge will look at the entire field of vehicles and then make their selection for a “First Choice Award”. They will be encouraged to speak to the owner, understand the “owner’s story of the vehicle” and then tell them why their vehicle was selected.

Each judge will place their “First Choice Award” next to the left front wheel of the vehicle, thereby indicating that the vehicle has been selected for the award.

Thanks for coming to our event and showing your ride. Have FUN!

Curt Smith
