## Robinson's Ramblings'

WOW!!! That's all I can say about April 21st and the best car show our great club has ever done. I take my hat off to Curt for his vision and tenacity for making something happen that only a few months ago was just an idea. One of the greatest things to me about this show was the total dedication of the club membership on show day. This is what it is all about!!!

We hit a home run with the trophies! While at the April 28<sup>th</sup> Bishopville car show I was told one of the guys posted his trophy from our show on Facebook. It goes to show we set the bar a notch higher with the trophies. Many thanks to Nick and Abby for the great idea and a lot of work.

This is another example of our club coming together and doing something as a group of people who love old cars. I hope each one of you is as proud of what we accomplished as I am.

Summer is here, it's time for car shows and fun. Let's get some of our cars to other club's shows and let them know just who the SWAMP FOX CAR CLUB really is.

## Robinson's Ramblings' con't

We can do some of the local shows, cruise in's and other activities that are available in the Pee Dee area. We have some club activities in the works so stay tuned!!! Besides, these old cars need to be exercised. They sure all looked good at our car show.

Just remember, we are a people organization and our love for old cars is the glue that holds us together. Take time to LOVE an old car!!!

## Inaugural Swamp Fox Annual Antique Classic Car Show Florence, SC, April 21, 2018

### Special Edition

Dear Friends,

Jane and I would like to thank all of you for all of your hard work to make the Inaugural Swamp Fox Annual Antique Classic Car Show benefitting The Cystic Fibrosis Foundation such a success. As you all know, Mary Elizabeth is doing very well due to the wonderful therapies and medicines that have been developed due to funding by the Foundation. That funding has been made possible by people like you. Thank you again.

Rex

## The Editors Turn

In this edition of the Editors Turn, I will take the opportunity to share my thoughts about the Inaugural Swamp Fox Annual Antique Classic Car Show from my perspective as the event chairman.

Al Robinson said it best when he said “WOW!!! That's all I can say about April 21st and the best car show our great club has ever done.”

THANKS!!! That is the word that best describes my thoughts about the success of the show. The show was successful thanks to all of you club members that worked to create and produce it. We have a lot to be proud of. Below are some specific examples that come to mind.

### THANKS GO TO:

Rex and Jane Huggins for providing the exceptional venue for the show and to their people that helped prepare the site for use. Some of the features of the show such as the Antique Car Kids Rides would not have been possible at another location.

The board of directors of the club, Al Robinson, Tom Spence, Sammy Lee, Susan Pace and Dan Dembowski for their support with planning and execution of the show.

The fund raising committee, Al Robinson, Susan Pace, and Cheryl Floyd for helping to lead the efforts to raise the sponsor funds needed to produce the show. Thanks also, to all of the members that acquired the donations for the show. The donations augmented the car show entry fees to assure a donation to the Cystic Fibrosis charity.

As you know, the proceeds from the show will be donated to the Cystic Fibrosis Foundation to further their work to find a cure for the disease. Please take a moment and click on the link below to learn more about Cystic Fibrosis. <https://www.cff.org/What-is-CF/About-Cystic-Fibrosis/>

Chief Judge Al Robinson and his judging staff for attending the judging schools and classifying and judging the cars at the show.

Luther Johnson for providing the signs.

Abby and Nick Osorio for designing and building the outstanding trophies.

The registration, tabulation team, Susan Pace, Cheryl Floyd, Donna Smith, Julie Canipe, Gayle Blunk. and the runners for acquiring, analyzing and reporting the results.

David Rast and the Shriner troop for handling parking and traffic issues.

Rob Warfuel, Tom Spence and Tim Spence for providing the vehicles and drivers for the Antique Car Kids Rides. The kids loved it.

And last but not least, Susan Pace for getting all of the permits, making all of the arrangements, putting out all of the fires and getting everything done on time! SIMPLY AMAZING!! She can now add the title of Swamp Fox Old Car Club FIRE CHIEF to her resume'.

It has been my privilege to work on this show with all of you for the benefit of this worthy cause. Thank you, one and all, for your amazing accomplishments! Let's do it again next year!
