HAPPY BIRTHDAY TO:

January 1, 2021

Tom Talks

I want to start off the year by wishing everyone a Happy New Year and a safe and healthy one also! I want to congratulate all members who made the effort to attend the many car functions this past year despite all the uncertainties. We had a great showing at many events and lots of "bling" came home with several owners. This is something we need to continue in 2021.

This is also our 40th year in existence and AI will fill us in on the club history bit by bit this year. Please bring your \$10 club dues to the January meeting and try to bring a potential new member as well.

Many new things will be attempted this year in regards to shows, judging, trophies and social events. Our meeting place is still Cain's BBQ on the second Thursday of each month. We should have something planned at 5 Star Chevrolet in February with more info to follow.

We are still planning our April Show to benefit Cystic Fibrosis at Hoffmeyer Place and we need all members to solicit donations of any size to help the cause. I am always available by phone at 843-773-0189. Let's try to make this a fun year, enjoy each other's company and get the old cars on the road!

Tom Spence

## COB Comments

Now that I have been elevated to the Chairman of the Board level you are going to have to watch out for the C-O-B!!! If you get the COB you are in deep you-know-what!! Seriously though, this is the 1st time in a number of years that we have had a Chairman of the Board. As I have said many times I am not President for Life (Curt kept pushing for this)!!! It was time for a fine young man like Tom Spence to lead the club as we celebrate our 40th year as an active Car Club.

I will be just as active as I have been for the last 5 years and hopefully able to be as active as I was in 1981 when we put the Swamp Fox AACA Car Club together!!! Forty years sure go by in a hurry and many of you probably don't know that all of the Pee Dee area Car Clubs are an off shoot of our Club. There were no Car Clubs in the Florence area when I moved here from West Virginia in 1981, so George Cruickshank and I decided to put one together and what we have in 2021 is the result!!

Lots of things have happened over the past 40 years and I hope to be able to share some great club history as we move thru 2021. We only have 3 members with 25 or more years with the club. Kelly Key, Luther Johnson and yours truly are the 3. I am the only charter member left so I guess that makes me the "Last of the Mohicans"(or whatever)!!

We have a super organization, a fine leadership team and a President who is committed to all the goals and objectives of our club in Tom Spence!! Don't ever forget though that we are 1st and Foremost a People Organization and the Love for Old Cars is the Glue that holds us together!!!

Al Robinson, Chairman of the Board

## The Editors Turn

This issue of the newsletter has two photo features.

The first feature is a sequential view of the club Christmas party starting with some social time followed by the business meeting, some great food and a fun gift exchange.

The second is a look at the December 12, 2020 Cars & Coffee at the Highland Park UMC.

I hope that everyone had a very Merry Christmas and a Happy New Year!!
