## Tom Talks

Hello once again everyone. Fall is here and many things are happening soon.

Our car show at Five Star Chevy is Saturday, October 9th from 10am-2pm, right after cars and coffee. We have 2 food vendors, music and trophies and best of all fun and minimal work. The club will pay for lunch. The employees of the dealership will distribute trophies beginning at 1pm.

We need all members to participate and drive their vehicles as club pictures should happen also. Please be there by 9:30am to set up all things needed.

On another note, the 40th anniversary of our club/Christmas party has been secured. It will be held Monday November 29th at 6:30 pm at LiJazZis Café, 163 North Dargan Street in downtown Florence. Good food, music, old and new pictures of club stuff plus the gift exchange and swearing in of officers for next year will happen. Also drive your classic rides as a photo of our cars lining both sides of the street will look great!

See you at both events!

Tom

## **COB Comments**

I will keep it short this month with all the stuff coming up for the club. We have the show at 5 Star Chevy October 9 and will need all the club members to help. Several other shows will be going on during October, so let's get as many club members as possible to these shows. When other clubs see us at their shows, they reciprocate by coming to ours!!

Don't forget about the Pecan Festival show on the 6th of November. This is our big money maker for the year and requires everyone to be there if at all possible. Then we get ready for our 40 year recognition and Christmas party get together. It's going to be a busy 3 months

Continue to help Tom. He has done a bang up job as President this year!!!

Al Robinson,  
Chairman of the Board

## Swamp Fox Rides

While this is not a "ride", the Charlotte Auto Fair, September, 2021 sort of qualifies. I set up in my usual vendor space September 8 thru 11, the 1st Auto Fair since September, 2019. The Covid stuff really took a toll on a lot of the activity in the car community thru 2020 and 2021. It was good to see the turnout as good as it was for this fall swap meet. A lot of the regular vendors were not there as a result of the non-refund situation for spaces cancelled in 2020.

I did lose some money due to the Covid cancellation situation but not as much as some of the bigger vendors. The Auto Fair was good to me this year as I sold my "32" Chevy, one of the Whizzer Motor bikes, my old bike and a lot of car parts!!

I will now be getting ready for Hershey, which comes up starting October 4 thru Oct 8. I missed it last year due to the Covid cancellation, so this year will be a real blast I am sure. It will be good to see all the car guys that I have known for many years. It is kind of like a family reunion when we all get together at Hershey.

Everyone should get to Hershey at least one time in your life, I have been going since 1968 and it is always a special experience!!!
