Tom Talks

Happy New Year! I sincerely hope everyone had a Merry Christmas and a good time with family and friends.

I enjoyed a rapid trip to Cajun land for way too much excellent food and extended family time! My New Year's resolution will include a reduction of caloric intake!

The Christmas Party was very entertaining with a great crowd and wonderful food.

Thank you all for your help this past year. We overcame challenges and accomplished many things as a cohesive club! Twenty twenty-two looks to be full of new adventures / outings and car shows and I encourage everyone to participate as much as possible.

Always be looking for new members and drive "the old stuff" whenever you can. See you at the January meeting!

Tom

COB Comments

Gail and I returned from the frozen tundra of Fort Dodge, Iowa on Dec. 30 after a 2 week stay at her farm and celebrating Christmas with her family. I knew after 2 days (Once again) why I left Iowa after my Navy stint and 4 years at Iowa State University. It is a cold miserable place in the winter time!! One morning, while we were there it was 4 degrees and the wind was blowing at 25 mph. My body won't work anymore at that temperature, I am a total wuss when it comes to cold weather since I have been in the great state of South Carolina for over 40 years!!

We are sure glad to be back and are looking forward to a great 2022 with the Swamp Fox Car Club. We have a great board of officers and directors for this coming year and I am looking forward to some great activities and car shows under President Tom's leadership. We have lots of opportunities to grow the club with some of the new members who have recently joined. We need to keep this going to keep our club strong and vibrant. I hope to be around to celebrate 50 years as an active member of Swamp Fox!!

I encourage each of you to take advantage of AACA functions such as the National Meet at Charlotte Auto Fair in April 2022. You will see great cars and meet some super people!! The Grand National Meet will be held at Virginia Beach in 2022, which is not too far away from Florence. I hope to be able to show a couple of Whizzer motor bikes and the 46 Lincoln at that meet. I probably won't be able to get to many more Grand National's other than the one in Charlotte in 2024 so this is a great opportunity. I would sure like to see several of our member's make this meet!!

Let's have a super 2022, support Tom, and get some info on your rides to Curt for our great Newsletter!!

The Editors Turn

This issue of the newsletter has one photo feature. It is a view of the club Christmas party held at LilJazZi's restaurant in downtown Florence, November 29, 2021. It started with the business meeting, followed by some great food and a fun gift exchange. Even the Editor got a gift.

I hope that everyone had a very Merry Christmas and a Happy New Year!!
