## Tom Talks

Hello again everyone! As I write this it is 81 degrees and beautiful in Houston Texas where I grew up.

Spring is certainly in the air and events are happening again. Please plan to attend our next meeting as we need to finalize details about our club road trip to Diamondback Classic Tires in Conway and our first car show at Five Star Chevy in May.

I will pass around the latest copy of Ragtops and Running Boards that list ALL of the events all over the southeastern United States.

Don't forget the AACA SE Spring Nationals and Charlotte Auto Fair or the upcoming Ford show right here at the Civic Center in Florence!

It's time to get your "ride" gassed up, dusted off and perform an "Italian tune up" on your favorite stretch of back road! (Car club is not responsible for speeding tickets 🤔).

Tom

## COB Comments

My message for this month I will simply title "Reflections from an Old Car Guy" and most of you know I am a bonafide Old Car Guy!! I have been asked several times just when I became a "car guy" and I would have to answer in 1947 when I was 8 years old and used to sneak off to the junk yard at the bottom of the hill off the street we lived on at the time in the small Iowa town of Fort Dodge. My mom was about to go nuts wondering where in the ---- I had snuck off to on any given summer afternoon, but I think she finally realized that I was already car crazy and just waited until I wandered back home! Then I got my young tail chewed out again and again and again. Loved to sit in those 1930's cars that were junked right after the 2nd World War and pretend I was driving to somewhere!!

This story, however, deals with how I got free meals at the local country club when I was a teenager and yes it has to do with another of my many "Car Adventures". It starts about 1918 when my grandfather was attempting to teach his brother, my great uncle Lew how to drive. They had a Scripps Booth car at that time (my granddad always called it the "Scraps & Bolts" because something fell off it every time they drove it).

In any case, this was the car he was teaching Uncle Lew to drive with, and here is where it really got funny. My Granddad got Lew going around the block, by himself, in that Scripps Booth roadster so he could "get the feel" of the controls and starting and stopping. The starting went ok but the stopping did not!! Lew apparently panicked and could not figure out how to stop the car so he kept going around and around the block and hollering at my Granddad to stop the dang thing every time he passed by my Granddad standing in front of his house!!

As the story went, Granddad finally got Lew to slow the car down enough that he could hop on the running board and get the car shut off. Uncle Lew never got behind the wheel of an automobile the rest of his life and swore these were the "Devils Contraptions"

Now, how this relates to me and free meals at the country club. Uncle Lew liked to eat at the country club every so often, but many times had no way to get there. I am 17 at that time, had just finished fixing up my 1st 50 Olds coupe, and good old Uncle Lew would call and ask "How would you like to go to dinner tonight at the Country Club?" Being a normal teenager, who loved to eat (and could eat a lot), I was always ready to drive Lew to the Club and we always ate well!!! Now you know the "Rest of the Story"

Stay tuned for another "Reflections of an Old Car Guy" next month!!

Al Robinson

## Welcome to the Charlotte Area

The Hornets Nest Region extends a cordial Welcome to all fellow AACA members attending the Southeastern Division Nationals. April is a great time of year to visit Charlotte and we are especially pleased that you have chosen to participate in the Spring Nationals. The AACA Nationals is being held during the Hornets Nest Region's Charlotte AutoFair (produced each Spring & Fall) at Charlotte Motor Speedway. Credentials for Charlotte AutoFair will be provided to each AACA Owner registering a vehicle and to each registered AACA Judge.

The Speedway is located on NC Highway 29 North in Concord, NC. The Nationals site is most easily accessed from Interstate 85, using the US 29 exit—the Speedway is about three miles North.

Another recommended route is the use of the NC 49 Exit from Interstate 485, two miles South into the town of Harrisburg — turn left onto Morehead Road to the Speedway.

### Charlotte Area Attractions

Charlotte Motor Speedway is the hub of NASCAR racing facilities to be found in the larger Charlotte metropolitan area. Near the Speedway, Concord Mills Shopping Center is situated at Interstate 85 Exit 49—about two miles from the Speedway and US29 on Bruton Smith Blvd. This is one of the world famous Mills destination malls and includes a Bass Pro-Shop, many specialty stores, and a multitude of restaurants.

The LYNX Blue line (light rail train line) runs a 20 mile route from the University of North Carolina at Charlotte (UNCC) on North Tryon Street (about four miles from the Speedway) with stations through uptown Charlotte, and South to the Pineville area. There are 26 stations and the train runs every 20 minutes until 8PM, then every 30 minutes until 2AM. Uptown Charlotte also has a Gold Line streetcar route that runs all day, seven days each week.

The NASCAR Hall of Fame is on Brevard Street in uptown Charlotte near the Convention Center and the NBA Charlotte Hornets Arena is on East Trade Street. The Bank of America Stadium, home of the NFL Carolina Panthers, has a collectables shop in the Stadium at Mint Street and Stonewall Street.

Uptown Charlotte features Discovery Place, a hands-on science museum for adults and children. Also there is the cultural campus on South Tryon Street which includes the Mint Museum Craft+Design; the Bechtler Museum of Modern Art; and the Gantt Center for African-American Arts.

### Full Service Camping Choices

**Apollo Mobile Home & Travel Park**—Full hookup, 30 & 50 amp outlets. Shaded areas. Walk across Morehead Road and be at the Speedway in minutes. Located at 4275 Morehead Road. 704-455-2409.

**Fleetwood RV Racing Camping Resort**—Each site equipped with water, sewer, electric. Cable available. Restroom and shower facility on site. Located about one-half mile from the Speedway on Bruton Smith Blvd. For Reservations call: 704-455-4445.

Note: There will be NO official transportation from these two Camping locations to the AACA Nationals Field.
