Pecan Festival, Florence, SC
11/5/22

June 1, 2022

Tom Talks

Hello again and welcome to June/summer! For those of you with A/C in your favorite ride I am jealous !

This newsletter comes after our road trip to Diamond Back tires and our 5 Star show! Both were successful and fun.

The trip to Conway was without incident and we all learned a great deal how their products differ from the competition.

The weather held out and was very pleasant for our car/truck/bike show at Five Star Chevy. We had a good turnout, all the trophies found a new home and the food was delicious as usual.

Please plan to attend our June meeting as we will discuss new road trip options and our fall shows. Bring a potential new member if you can, they will be glad they came!

Tom

COB Comments

The 2022 AACA Grand National is history and what an experience!! I have participated in 4 Grand Nationals during my AACA career and every one has been worth all I could have expected. The highlight for the Virginia Beach Grand National for me was to see Julian Stewart get his first Grand National award with his 51 Ford!

I also got to see the 1947 Ford Sportsman convertible, owned by a good friend that I restored all the stainless for, that was nominated as one of the 20 Zenith award competitors. The Zenith award program selects the 20 best AACA cars out of all the National Shows for a given year to compete for the Best of the Best award at the annual Grand National Show. Just to be chosen is a real honor! This car was restored by Don Henley in his own garage shop, not in some professional restoration shop, which to me, makes it even more special!!

My Whizzer motorbikes did well, one 1st Grand National and one Sr. Grand National award. The Lincoln only made a 2nd Gr. Nat. due to a screw-up on my part, not catching some very incorrect hood bolts that cost a bunch of points. Try again next year!!

In any case, all the work and effort it takes to get ready was well worth it. You get to see the very best automobiles that exist in this country and some of the rarest as well at a Grand National. The tours and activities provided are also a real highlight. We got to see the Schaubach restoration shop and car collection this time and what a treat! I would love just to be able to work in that shop with all the equipment he has to do the finest quality restoration work I have ever seen.

Chairman of the Board Al Robinson
